FREEDOM CURRICULUM

The Freedom Curriculum focuses on six areas of personal growth:

• Living in the "Tree of Life"
God never wanted us to pursue dead religion, rather His heart is for us to know Him personally and live in our true identity as His children. You will learn what it means to live in the "Tree of Life" and how a simple but powerful perspective shift can impact every area of your life.

• Walking in the Spirit
The Bible talks about the Spirit-led life, but this kind of living can feel hard to reach. Through Freedom, you will learn the principles of spiritual order and how feeding your spirit over your emotions and flesh is key to walking in the Spirit.

• Surrendering to Jesus
God calls us to love and serve Him above all else, and when we do, we see how we can grow in our purpose, live forgiven and forgive others, and receive His blessings. Freedom will help you learn how to surrender to Jesus and live in freedom daily.

• Speaking Words of Life
Our words have power, and by learning to speak words of life that line up with God's Word, your words can change your environment and relationships and break the power of the enemy's words in your life.

• Becoming a Vessel God Can Use
God has a unique plan and purpose for our lives, but we also have an enemy who is trying to keep us from fulfilling this purpose. In your Freedom Group, you will learn how to stand in the authority of Jesus to overcome sin and the enemy's schemes as you allow God to use your life for His glory.

• Living as a Worshipper
We all worship something. Freedom will help you learn how to daily direct your worship to God and discover how it can influence the heart of everything you do.

ON THE FREEDOM COURSE
